LAMBAY WHISKEY

IRISH WHISKEY WITH A COGNAC CASK FINISH

Uncork the unique! Lambay is the only Irish whiskey to be finished in old Cognac casks.

Lambay is the perfect combination of centuries-old Irish whiskey making expertise and five generations of cognac blending and maturation experience.

Lambay is a collaboration between Camus, the world's leading family-owned cognac producer, and the Baring family, who own the curious private island off the coast of Dublin that gives the whiskey its name, and where the barrels silently mature by the sea in an old coastguard station.

FREYA®

BIRCH SPIRIT

WILD BY NATURE

Freya is uniquely distilled from the sap of wild birch trees, sustainably tapped in early Spring across the Far North.

Named after the Norse goddess of love and fertility, Freya is available in three unique styles: signature Freya which is clean and pure; Freya Woodsmoke infused with the smoke of 3 woods; and Freya Birch Gin, fresh birch spirit redistilled with wild forest botanicals.

Freya captures the wild, natural character of the birch in all three variants and can be enjoyed neat over ice, with light tonic or as a fresh alternative to traditional spirits.
