BONPLAND

RUM

EXPERTLY MATURED IN GERMAN WINE CASKS

Bonpland Rum XO combines the exotic flavours of the New World with the winemaking traditions of the Old.

This full-bodied blend of fine rums from Trinidad, Jamaica, Guyana, Barbados, Guatemala and Nicaragua is aged in Bourbon barrels, then wine casks from the Vallendar family estate in the tri-border region of Germany, before a third maturation in Port, Moscatel and Riesling wine casks. This creates a smooth, sublime rum with ripe cherry, chocolate, vanilla, red berry and raisin notes. It perfectly captures the timeless elegance of German craftsmanship and character.
